## **DRI Professional Services Forms Management Partnership With Dermatology Nurse Practitioner Certification Board**

**CHICAGO – (March 25, 2019)**— DRI Professional Services (DPS) has entered into an agreement with the Dermatology Nurse Practitioner Certification Board (DNPCB) to provide certain administrative and management services to the certifying board..

In the new partnership with DNPCB, DPS will provide assistance in the areas of administration, accounting, meeting and event management, marketing and communications, social media, sales, publishing, and technology and web services.

The mission of the DNPCB is to promote the highest standards of dermatology nursing practice and establish credentialing mechanisms for validating proficiency in dermatology nursing. The DNPCB promotes attainment of the highest standards of nursing practice by requiring for certification 1) the attainment of a common knowledge base, 2) utilization of the nursing process, and 3) a high level of skill in

“We are very excited to be working with such a universally respected, and committed group like DNPCB,” said DPS CEO, Tyler Howes. “We are honored to be selected as their full-service management team and to be a part of their very bright future.”

The DPS team will consist of has a collective 85 years of experience in association management. “Our new partnership with DPS brings fresh perspective, services and insights to DNPCB and we look forward to a long partnership,” said Paula Bermann, President of DNPCB.
